Look at the grid below to calculate the odds for your bet. First, find your selected player's name in the left hand column. Then look for your predicted correct score for your team in the top row of the chart. Your predicted odds are shown in the box where your chosen row and column meet. Within this box is where you must carefully mark with an 'X' in black ink. You can mark as many boxes as you like all to the same unit stake. Don't forget to mark your chosen unit stake in the box below the chart.
